VARIANCE APPLICATION

A separate variance application for each (non-compliant) condition within a single building or facility must be submitted by the owner (or owner's designated agent) and must include a \$175.00 **non-refundable application fee** and if the project has not already been registered and assigned a TDLR project number, an additional \$175.00 **non-refundable registration fee**.

In addition, the application must be accompanied by plans (site and/or architectural) of all affected areas and any supporting documentation that provides adequate proof to the commission that compliance with the specific Texas Accessibility Standard (TAS) is impractical or irrelevant to the nature, use, or function of the building or facility. The department shall issue a decision based on Chapter 469.151 and 469.152 and the information submitted with the application.

****IMPORTANT INFORMATION****

Incomplete applications and applications received without the required fee(s) will not be processed.

INSTRUCTIONS FOR COMPLETING VARIANCE APPLICATION FORM – AB 013

1. **Has this project been reviewed?** – Check yes or no.
2. **If yes, name of reviewer:** Enter the name of the Registered Accessibility Specialist (RAS) that reviewed this project.
3. **Has this project been inspected?** – Check yes or no.
4. **If yes, name of inspector** – Enter the name of the Registered Accessibility Specialist that inspected this project.
5. **If yes, date of inspection** – Enter the date of the inspection report issued by the Registered Accessibility Specialist (RAS).
6. **Project Name** - Enter the name of the project (examples: CLASSROOM ADDITION, TENANT FINISH OUT FOR DR. SMITH)
7. **EABPRJ#** - Enter the TDLR project number for the project (if one has been assigned).
8. **Building/Facility Name** – If the project is part of another building or facility, enter the name of the building or facility (examples: WASHINGTON HIGH SCHOOL, MEDICAL OFFICE TOWER).
9. **Address**- Enter the physical location, including the street address if available and the suite number if applicable, city and zip. Post office box numbers are not acceptable.
10. **Description: Indicate the type of project: New Construction/Addition/Alteration** – Check one box which represents if this is new construction, an addition or alteration project.
11. **Scope of Work** – Provide a brief description of the scope of work for this project.
12. **Estimated Project Construction Cost** – Enter the estimated cost of construction.
13. **Original date of construction of this building/facility**– Enter the year of initial construction of this building/facility (Month/Year)

WHAT TO SUBMIT

1. A completed and signed Variance Application Form for each non-compliant condition.
2. \$175.00 non-refundable fee for each application. Submit a check or money order payable to “Texas Department of Licensing and Regulation”: P.O. Box 12157, Austin, Texas 78711.
3. A completed and signed Architectural Barriers Project Registration Form or AB Confirmation Page and the \$175.00 non-refundable registration fee must accompany this application, if the project has not already been assigned a TDLR project number (EABPRJ#). Projects with an estimated construction cost of less than \$50,000 are not required to obtain a plan review or inspection; however, the fees are still required.
4. The applicant must submit documentation to support the request for variance to prove that compliance with a particular standard is impractical. Such documentation may include, but is not limited to, floor plans, site plans, grading plans, and photograph(s).
